Sixth Annual Sports Nite Wins Wide Acclaim

Sports Nite, now a traditional affair, attracted capacity audiences during the three nights that the Girls' Athletic Association presented to the public a display of feminine athletic achieve-

ment. The tap dance shown above is typical of the appropriate and graceful activities in which Trenton High girls participate.

One of the highlights in the Sports Nite program this year was the fencing routine pictured below. It was a convincing example of a non-competi-

tive enterprise in which every girl participant attempted to achieve perfection for its own sake.

“Advance”—Feminine Fencers Strive for Perfection
