Sports Nite

IN a year in which many activities were curtailed, Sports Nite was not eliminated. Competition was especially keen this year because during the past eight years each team had won Sports Nite four times. The Black team, led by Marjorie Case, emerged victorious over a never-say-die Red team, captained by Olivia De Pastina. The dancing, march-

ing, and races were prepared under the co-direction of student chairmen, their committees, and the physical education instructors. Costumes and decorations were prepared by girls under the supervision of art and home economic instructors.

The throngs of spectators will long remember the Black Novelty, "Lady of

Spain"; Victory Exercises, "Wacs at Work"; Tap, "Star Spangled Rhythm"; and Marching Theme, "Army Air Corps"; and also the Red's "Independence Day"; Rhythmic Novelty, "Winter Wonderland"; Victory Exercises, "Air Raid Drill"; and Marching Theme,

"Stout Hearted Men." Non-competitive features included the "Indian Legend," "Americana," and "Armistice Revelry."

Sports Nite, with all its color, zest, excitement, and sportsmanship, has really become one of the great traditions of Trenton High School.
