Background

Back in 1935 our principal, Dr. Paul R. Spencer, suggested that the girls of our high school should participate in some indoor athletic activity which would give them a chance to display the type of work they were doing in their gymnasium classes. The purpose of this co-ordinated activity would be to teach good sportsmanship and leadership. Thus was born Sport Nite.

On the evening of April 12, 1935 at 8:15 p.m. the first annual Sport Nite was presented in the gym at T. H. S. for the small admission of twenty-five cents. The gym was gaily attired with bright decorations designed and made by

various committees of the opposing team. The general chairman, Jean Halliday, was introduced to the audience. Next came the presentation of the captains of each team. At the end of the evening's performance the Red Team emerged victorious with a 65-60 score.

The first year the show was presented to a capacity crowd for one night only. As the years rolled by Sport Nite became bigger and better than ever. In 1936, the show was extended to two nights; in 1937, three nights; in 1945, four nights. Since 1949, the show has been presented five nights to capacity audiences.
