# *J. H. S. Girls' Sport Nite*

Although our health program is largely a physical one, it goes beyond the mere development of the body. There are exercises that are designed to promote health; in addition, there are dances and rhythmic to develop poise and grace. But above all, there is an enjoyable program of competitive sports sponsored chiefly to imbue the pupil with a love of games and the spirit of sportsmanship. Girls' Sport Nite is not merely a spectacular show; it is the culmination of the regular indoor physical education program, presenting in review every activity participated in during the season.

Discovering a large wishbone, a little girl debates whether to wish for "money", "fame", or "happiness". While dreaming of the various possibilities, she finds herself dancing in a world of "wealth". Despite the jingling she hears, and the splendor she possesses, something is lacking. Ignoring "wealth", she turns to "fame" who comes to display her panorama of glitter and glory, but this too, is empty. Deciding that money and fame aren't everything in life, our little girl turns to the wishbone for her last desire, "happiness". With contentment welling inside her after dancing with her jester playmates, she breaks the wishbone for the fulfillment of her most important desire, "happiness".
