When asked how she felt about the Black Team electing her captain, Mary Jane Tilton said, "I was stunned, it was the happiest day of my life."

Even before Mary Jane received the honor, her school life had been extremely active. For some time she had been leading the varsity cheerleaders.

Mary Likes Associates

"Well." Said Mary Jane, "I know the heads are worthy of the positions they have gained, and I'll get to know them better so that we can work as a close and friendly group, and the whole Black Team is going to work hard towards a victory this year."

Irene Kozma, Red Team Captain, is also a popular miss around T.H.S. She replied, when asked how she felt about receiving this position, "It's the most wonderful feeling in the world, and I know it's an honor to be chosen."

She is treasurer of the senior class as well as secretary of her home room.

Irene is preparing for her future work as a "gym" teacher by being captain of her "gym" class and vice president of Leaders Corps.

"I think the Red Team heads are wonderful this year," said Irene, to the SPECTATOR reporter, "and one thing for sure, we Reds are going to work and work and work to win Sports Nite this year."

Sports Nite Choices

Group Elects Official Family For Annual Girls' Sports Nite

Sports Nite selections for the official family were made on Study Day, October 22 and also on October 24.

Lee Jochem will assume neutrality in this annual girls' event. She takes over the coveted position of Mistress of Ceremonies. The title of Miss America was captured by Jacqueline Graf, while Leona Dropla will make up the rest of the traditional group by filling the role of Miss Trenton High.

Top, Mistress of Ceremonies, Lee Jochem, bottom, Leona Dropla, Miss Trenton High

Also picked at the time were Red Team Flag Bearer, Peggy Weber, and Black Team Flag Bearer, Marilyn Brooks. The color guards are Josephine Turco, Mary Popovich, Angeline D'Oria, Pauline Otto, Grace Fiorello, Caroline Hartshorn, Evelyn Kohn and Virginia French. At a later date it will be decided which girls they will "guard."

The group was carefully chosen by Mrs. Margaret Dickenson, Miss Eleanor Keating, Mrs. Isabelle Quick, Miss Alice Stanton, Edward Murphy, the team captains and a few girls of their choosing.

Positions were opened to seniors only but many more twelfth grade girls tried than the number needed. Students were gradually eliminated until the most qualified remained.

Ability to speak distinctly appearance and personality are the main factors in choosing a Mistress of Ceremonies. The other girls were selected mainly for their qualities of personal appearance, poise, posture and style of marching.

Group Picks Rural Theme

'Gym' Teachers, Captains Select Country Fare As Basis For Sports Nite

Country Fare is the theme for the fourteenth year of Trenton High's Annual Girls' Sports Nite Show. It will be held for four days on Tuesday, Wednesday, Thursday, and Friday, March 15, 17, 18, 19.

Mrs. Isabelle Quick, Miss Eleanor Keating, Mrs. Margaret Dickinson, and Miss Alice Stanton, assisted by Miss Mary Jane Tilton, Black Team Captain, and Miss Irene Korma, Red Team Captain, decided upon this as an appropriate theme.

Country Fare has to deal with style of life in the country. The group that decided on this theme gave such suggestions as the little red school house, flowers, farm animals, mailmen and a few others, to give the heads of committees a few ideas for their numbers.

The committee heads have picked their specialties and have begun preparing for this show. Some groups have selected what they're going to represent while others are still deciding.

There are three non-competitive numbers in Sports Nite, Prelude, Ballet, and Skating. Skating will be headed by Florence Reed, while prelude will have Ruth Bazzel as head, and Joan Wiley is to head ballet. Skating is under the direction of Mrs. Dickinson, with Miss Keating in charge of prelude and ballet.

Activities At Central High

The members of the projection crew at Central High have the responsibility of operating intricate equipment. Donald Dowling is the president of the group, assisted by Ralph R. Greener, LeRoy Hutchinson, and Sidney Deltz. These boys were chosen by Carl Dannerth, electrical workshop instructor, for their willingness to learn the fundamental principles of electricity and electrical apparatus. They operate the spotlights which produce the lighting effects for various plays, operettas and Sports Nite. They also operate the slide projector and the movie projector in the school auditorium, besides taking care of the loud speaker system in the auditorium.

Central High Activities

The theme of the 14th annual Sports Nite at Central High School is to be "Country Fair." This was decided by the girls' gymnasium teachers, Mrs. Isabelle Quick, Miss Eleanor Keating, Mrs. Margaret Dickinson, and Miss Alice Stanton, assisted by Mary Jane Tilton, Black Team Captain, and Irene Kozma, Red Team Captain. Although Sports Nite is not to be held until March 16, 17, 18, 19, the leader and committees are busy preparing the various numbers, each of which will deal with some style of country life, such as RFD mail carriers, the Little Red School House, flowers, and farm animals.

Under the direction of Mrs. Dickinson, Florence Reed will act as head of skating, a non-competitive number. The others, prelude and ballet, will be under the guidance of Ruth Bazzel and Joan Wiley, with Miss Eleanor Keating in charge for the faculty.

Ernie is concentrating on a well-balanced band with special emphasis on concert selections. He has had seven years' experience in the field of music. Ernie plays both sax and clarinet equally well. Ernie's slogan is, "May the best black band win."

Jack Rutkowski has been playing drums for six years, and is working hard for the success of the whole Red Team as well as for his band. Jack replied to the SPECTATOR reporter when asked what his motto was, "The best band will win as long as it is Red."

One might easily take Jack and Ernie for twins since that Jack is 6 ft. 3 in. and Ernie is 6 ft. 3in. By a strange coincidence both boys begin with the letter of the band which they lead. It is common to hear Jack address Ernie as Mr. B and Ernie address Jack as Mr. R.

3,000 See Close Competition At Preview of Sports Night

It was "Preview Night" at Trenton High School's gymnasium last night as more than 3,000 persons were on hand to witness the opening night of the 14th annual Girls' Sports Night extravaganza.

Girls from all three classes competed in the three-hour program. At the end of the first night's exhibition the Black team, captained by Mary Jane Tilton, held a 7-6 lead over its Red team opponents. Irene Kozma is captain of the Red team.

Tonight's program will feature the sophomore girls in 12 competitive events and several non-competitive numbers. This year the Sports Night show is being staged for five nights. Tomorrow will be Junior Night followed by Senior Night Thursday. The grand final will be staged Friday night.

The 1948 edition of Sports Night has as its theme "Country Fare."

Last night's show was opened by Lee Jochem, mistress of ceremonies. Jacqueline Graff was presented as "Miss America" while

Leona Dropla was introduced to the audience as "Miss Trenton High." A procession of color guards were led onto the floor by Marilyn Brooks, Black team flag bearer, and Margaret Welsh, Red team color bearer.

Black team points were won on marching, tap dance, decorations, band, songs and obstacle race. A special point, awarded on last night's show only, went to the Black squad for the cover design on the Sports Night program. The design was made by Dorothy Forman.

The Red team was awarded points for theme song, square dance, novelty race, rhythmic, modern exercises and cheers. The Red team's theme song was "Summertime."

Judges for last night's performance included Miss Madge Burgard, art instructor at Trenton Teachers College; Miss K. Elizabeth Ingalls, music teacher at Trenton Teachers College and past president of the music department of the New Jersey Education Association; and Earl Dean, Miss Caroline Hammond and Miss Blanche Graham, members of the Trenton Teachers College physical education department.

Non-competitive numbers on last night's program included ballet dancing and skating.

Sports Nite Black Team Widens Lead

For the second straight evening the Black team held sway in the 14th annual Trenton High School Girls' Sports Nite. Last night the Sophomore girls took over the spotlight before another overflow audience in the high school gymnasium.

The Blacks, captained by Mary Jane Tilton, were awarded seven of last night's 12 competitive events. The Red team won five. Coupled with Monday night's 7-6 victory the Black team leads in the point scoring, 14-11.

Tonight's program will be taken over by the Junior girls at 8 o'clock. The Seniors will hold the spotlight tomorrow night before Friday evening's grand finale.

Black team points last night were gained on marching, tap dance, decorations, band, songs, novelty race and cheers. The Reds won points in the obstacle race, theme song, square dance and specialties, rhythmic novelty and modern exercises.

The Red team's theme song is "Red Team Triumphant." Rita Lavine is chairman of the theme song committee. The Red team's modern exercises, depicting a melon patch, were led by Marie Messina last night.

Ernie Butcher led the Black team band in "Summertime" as it won over Jack Rutkowski's Red band for the second straight night. "Smoke Gets In Your Eyes" is the Red team band theme.

Non-competitive numbers continued to draw plaudits from the audience, particularly the "Country Store" ballet, led by Joan Wiley. Another eye-pleasing number was the prelude, depicting the early-morning chores of a group of farmers.

Red Team Holds Slight Edge As Sports Nite Nears Close

The 14th annual Trenton High School Girls' Sports Nite moves into its next-to-last performance tonight with the Red Team holding a 20-18 margin in the accumulative point scoring.

Tonight's spectacle will be taken over by the Senior girls at 8 o'clock. The five-night extravaganza comes to a close tomorrow night with the grand finale.

For the third straight night a jam-packed audience of 3,000 witnessed last night's program which featured the eleventh grade girls. Victory came to the Red Team last night for the first time as Captain Irene Kozma's squad outscored the Blacks, 9-4. Prior to last night's show the Black team led, 14-11.

Another "first" was recorded last night as a tie was declared in one of the 12 competitive events. Each team was awarded a point by the judges for their songs.

The Red team gained points on theme songs, tap dances, square dance, novelty race, modern exercises, obstacle race, decorations and band. The band point marked the first time Jack Rutkowski's musicians took the nod over Ernie Butcher's Black team band.

Points for marching, cheers and rhythmic were awarded the Black team last night.

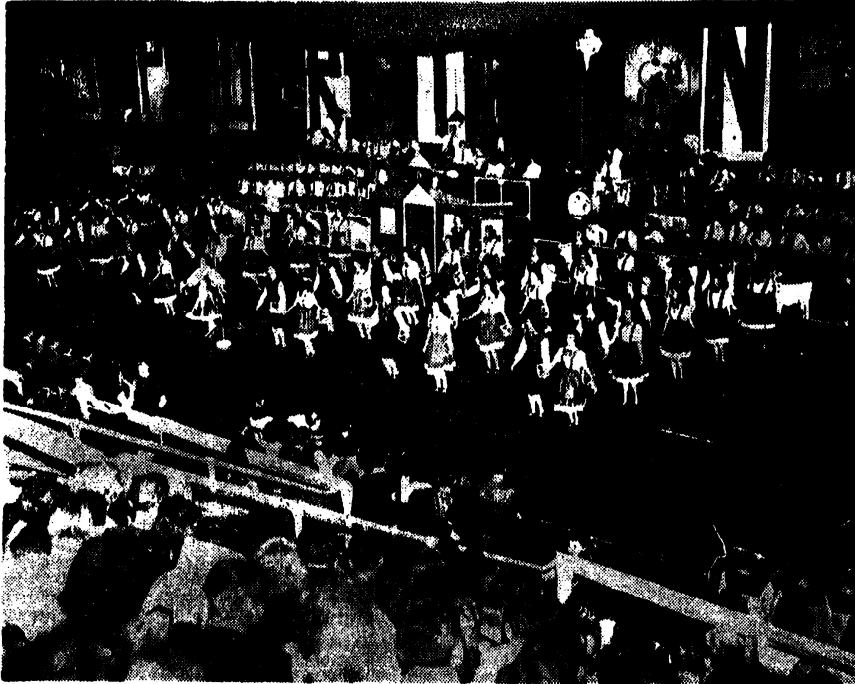

Judging the numbers were Russell Nelde, supervisor of physical

education in Irvington's public schools; Miss Marjorie Miller and Miss Helen L. Kirk, physical education instructors at Irvington High School; Miss Winifred Prather, landscape painter, Morrisville, and Miss Violet Johnson of Elizabeth, president of the music department of the New Jersey Education Association.

The present standing in the 14-year history of the all-girl show finds the Black team holding a 7-5 advantage. The 1944 event ended in a tie. Last year's victory by the Red team ended a Black team reign which began in 1942 and was unbroken except for the '44 deadlock.

Sports Nite Closes Tonight; Red Team Ahead, 27 to 23

Trenton High School's 14th annual Girls' Sports Nite comes to a close tonight. The Red team, scoring a 7-5 victory in last night's performance in the school gymnasium, leads on points through the first four nights, 27 to 23.

Tonight's "Finale Night" demonstration will feature girls from all three classes—sophomore, junior and senior. Last night's show was turned over to the 12th grade girls.

Red team points in last night's performance were gained on theme song, square dance, modern exercises, novelty race, obstacle race, band, tap dance. The Black team was awarded points for marching, rhythmic, cheers, songs and decorations.

Another sellout throng is ex-

pected to be on hand for tonight's closing performance at 8 o'clock. Some three hours later the 1948 Sports Nite champion will be crowned on the basis of the five-night accumulative point system.

Last year the Red team won by a convincing 31-23 margin. Tonight the Reds, led by Captain Irene Kozma, hope to make it two in a row over their Black team rivals. Mary Jane Tilton is leader of the Blacks. The 14-year standing shows the Black team holds the upper hand with seven victories to five for the Red squad. The two teams ended in a tie in the 1944 event.

Flag-Raising Marks Red Team's Victory

With the entire student body standing at attention, the Red team flag was raised at Trenton Central High School this morning to mark its victory in the annual Sports Night program, which concluded on Friday night. The banner will continue to fly beneath the American flag the remainder of the week.

Miss Irene Kozma, Red team captain, raised the flag of her team in victory. Miss Mary Jane Tilton, Black team leader, as well as Dr. Paul R. Spencer, school principal, and other Trenton High officials took part in the ceremonies.

Girls' Classes Resume Sports

Sports Nite over, the girls' gymnasium classes are returning to the numerous games and activities that occupied their time before preparation for the gala affair began.

The girls may choose from bowling, service ball, and that old perennial favorite, jumping rope.

Now that the warm weather is beginning to set in, the girls will don their sweaters and go outside for an invigorating "gym" period.

Most of the girls seem to prefer baseball as their choice of activity, while others choose the more feminine sport of tennis.

Also, near the tennis courts, numerous girls can be seen eagerly perfecting themselves in the court of archery.

With these various sports to choose from, the girls who participate in the gymnasium, find plenty to keep themselves busy and healthy.
