Georgia,

Just a brief note to
say thanks for the flowers
and the beautiful charm.
I also want to express
my appreciation for the
wonderful job you did on
cheers and for all your
help and cooperation. I
enjoyed working with you.
I'll miss your smile, the
curly hair, which you
tried to straighten, and most
of all your personality.
Good luck and God bless
you in whatever you do
Love
- Mrs. Barbara Holgren
