THE HISTORY OF SPORTS NITE

Sports Nite is an annual event presented by the girls of T.H.S. and the Girls' Athletic Department. Sports Nite competition between Black and Red Teams began in 1935.

During the first few years of its existence, Sports Nite was held only one night. The girls who appeared in the extravaganza wore gym suits and paper costumes.

Until recent years, Sports Nites was a five night affair and the preparation and enthusiasm that accompanied it lasted most of the school year. Last year the event was reinstated after a two year absence. This year Sports Nite was held on March 17, 18, and 19 and the Red Team emerged victorious.

Editor's Note:

Past Bobashela's have dealt with Sports Nite in a conventional manner. However, in this year's publication, we approached Sports Nite in a candid fashion. We hope you will enjoy the change.
