**BALLET**

Dear Diana,

Words cannot express how I feel about your superb performance in the role of Aurora in Sleeping Beauty.

It was truly great and you should be justly proud of your accomplishment.

Congratulations from Miss Eleanor M. Keating,  
TCHS Teacher, Phys Ed & Toe Group

It was a wonderful surprise to receive the beautiful silver bowl. I love it. Thank you sincerely for your good wishes.

All the best to a ballerina I shall never forget.

Sincerely, Eleanor Keating

My dear Diane,

I've always believed  
that artistry could be measured  
by its ease of execution. You, my  
dear one, must know that artistry  
because you make those intricate  
ballet techniques look so easy.

You were superb! I  
loved your performance! I should

Dear Diane:

For a long time now I have watched your progress with pride and pleasure. There has never been any doubt in my mind that you would succeed at doing what you had chosen for yourself. Your dancing for the Sports Nite Program was beautifully done - and next Julliard!

Congratulations, my dear, and my sincerest best wishes for continued success.

Cordially,

Dear Diane —

Need less to say I wish you  
and your team luck and victory.

Win or lose, you are, and will  
remain my favorite dancer.

Don't forget to thank Eleanor  
for all her time and patience;  
she has a very tough job handling  
all those girls.

Again, I wish you the very best.

Sincerely —

Francis

P.S.

Please keep record  
as a small gift.

Congratulations from Francis J. Kiernan (Diana's first ballet teacher at the Kiernan School of Ballet)
