The title is rendered in a highly decorative, calligraphic style. The numbers '1892' are large, bold, and black, with a thin red outline. The words 'the year' are written in a smaller, red, cursive script, positioned horizontally across the middle of the numbers. The entire title is set against a background of fine, vertical, parallel lines that create a textured, ribbed effect. The overall color palette is dark, with the red providing a strong contrast.

THE HISTORY OF SPORTS NITE

Sports Nite is an annual event presented by the girls of T.H.S. and the Girls' Athletic Department. Sports Nite competition between Black and Red Teams began in 1935.

During the first few years of its existence, Sports Nite was held only one night. The girls who appeared in the extravaganza wore gym suits and paper costumes.

Until recent years, Sports Nites was a five night affair and the preparation and enthusiasm that accompanied it lasted most of the school year. Last year the event was reinstated after a two year absence. This year Sports Nite was held on March 17, 18, and 19 and the Red Team emerged victorious.

THE WINNERS

DEDICATION

Twenty-two years ago, a long and wonderful tradition at Trenton Central High School ended. It was called Sports Nite. It would never happen again. That is, until...

The 1993 Bobashela is dedicated to everyone and anyone that fought to keep the tradition alive. The Class of 1993 is very proud to be a part of the Spirit that would not accept no for an answer.

And because Sports Nite '93 was such a resounding success, the Class of 1994 will have a Sports Nite and so will all the other Senior Classes that follow. No Senior Class could have established a finer legacy than this.

We proudly dedicate this Yearbook to the Spirit of Trenton Central High School that gave us Sports Nite '93. And we further dedicate it to all the doers and dreamers that made it a wonderful part of our Senior year.
